DEPARTMENT OF PSYCHOLOGY, FRANZ HALL
UNIVERSITY OF CALIFORNIA, LOS ANGELES
LOS ANGELES, CALIFORNIA 90095-1563
PHONE: 310.206.4050
FAX: 310.206.5895

ASSISTANT: KATE HALTOM
FRANZ HALL, RM 4444
EMAIL: SCNLAB@PSYCH.UCLA.EDU
PHONE: 310.794.0057

EMPLOYMENT & EDUCATION

Professor of Psychiatry & Biobehavioral Sciences, 2009-present, UCLA
Professor of Psychology, Social Psychology, 2009-present, UCLA
Associate Professor of Psychology, Social Psychology, 2006-2009, UCLA
Assistant Professor of Psychology, Social Psychology, 2000-2006 UCLA
Postdoctoral Fellow, Behavioral Neuroscience, 1999-2000, UCLA
Ph.D., Social Psychology, 1999, Harvard University
B.A., Philosophy and Psychology, 1992, Rutgers College

AWARDS & HONORS

Fellow, Society of Experimental Social Psychology, 2009
Fellow, Association for Psychological Science, 2009
APA Distinguished Scientific Award for Early Career Contribution to Psychology, 2007
Distinguished Teaching Award, Department of Psychology, UCLA, 2004
Joseph R. Levenson Memorial Teaching Prize, Harvard University, 1997

PROFESSIONAL EXPERIENCE

Social Cognitive and Affective Neuroscience – *Founding Editor*, 2005-2010
Personality and Social Psychology Bulletin – *Consulting Editor*, 2004-2008
NeuroImage – *Guest Editor*, 2005, special issue on Social Cognitive Neuroscience

PUBLICATIONS (*indicates first authors who were my advisees)

In Press

- 79) *Spunt, R. P., Satpute, A. B., & Lieberman, M. D. (in press). Identifying the what, why, and how of an observed action: An fMRI study of mentalizing and mechanizing during action observation. *Journal of Cognitive Neuroscience*.
- 78) *Rameson, L. T., Satpute, A. B., & Lieberman, M. D. (in press). The neural correlates of implicit and explicit self-relevant processing. *Neuroimage*.
- 77) Lieberman, M. D. (in press). Why symbolic processing of affect can disrupt negative affect: Social cognitive and affective neuroscience investigations. To appear in A. Todorov, S. T. Fiske, & D. Prentice (eds.) *Social Neuroscience: Toward understanding the underpinnings of the social mind*. Oxford University Press.
- 76) *Falk, E. B., Rameson, L., Berkman, E. T., Liao, B., Kang, Y., Inagaki, T. K., & Lieberman, M. D. (in press). The neural correlates of persuasion: A common network across cultures and media. *Journal of Cognitive Neuroscience*.

- 75) Lieberman, M. D. (in press). The brain's braking system (and how to 'use your words' to tap into it). *Neuroleadership*.
- 74) *Way, B. M., Creswell, J. D., Eisenberger, N. I., & Lieberman, M. D. (in press). Dispositional mindfulness and depressive symptomatology: Correlations with limbic and self-referential neural activity during rest. *Emotion*.
- 73) *Falk, E. & Lieberman, M. D. (in press). Belief and the neural basis of attitudes. In F. Krueger & J. Grafman (Eds.). *The neural basis of human belief systems*. Psychology Press.
- 72) *Burklund, L. J. & Lieberman, M. D. (in press). Advances in functional neuroimaging of psychopathology: A response to: Conceptual Challenges in the Neuroimaging of Psychiatric Disorders. *Philosophy, Psychiatry, & Psychology*.

Published

- 71) Cohen, J. R. & Lieberman, M. D. (2010). The common neural basis of exerting self-control in multiple domains. To appear in Y. Trope, R. Hassin, & K. N. Ochsner (eds.) *Self-control* (pp. 141-160). Oxford University Press.
- 70) Lieberman, M. D. (2010). Social cognitive neuroscience. In S. T. Fiske, D. T. Gilbert, & G. Lindzey (Eds). *Handbook of Social Psychology* (5th ed.) (pp. 143-193). New York, NY: McGraw-Hill.
- 69) Lieberman, M. D. & Cunningham, W. (2009). Type I and Type II error concerns in fMRI research: re-balancing the scale. *Social Cognitive and Affective Neuroscience*, 4, 423-428.
- 68) *Master, S. L., Eisenberger, N. I., Taylor, S. E., Naliboff, B. D., & Lieberman, M. D. (2009). A picture's worth: Partner photographs reduce experimentally induced pain. *Psychological Science*, 20, 1316-1318.
- 67) *Pfeifer, J. H., Lieberman, M. D., & Dapretto, M. (2009). The neural basis of self and social knowledge in children. To appear in P. D. Zelazo, M. Chandler, & E. Crone (Eds.) *Developmental Social Cognitive Neuroscience* (pp. 141-163). New York, NY: Psychology Press.
- 66) *Berkman, E. T. & Lieberman, M. D. (2009). Approaching the bad and avoiding the good: Lateral prefrontal cortical asymmetry distinguishes between action and valence. *Journal of Cognitive Neuroscience*.
- 65) *Berkman, E. T., Lieberman, M. D., & Gable, S. L. (2009) BIS, BAS, and response conflict: Testing predictions of the revised reinforcement sensitivity theory". *Personality and Individual Differences*, 46, 586-591.
- 64) *Pfeifer, J. H., Masten, C. L., Borofsky, L. A., Dapretto, M., Fuligni, A. J. & Lieberman, M. D. (2009). Neural correlates of direct and reflect self-appraisals in adolescents and adults. *Child Development*, 80, 1016-1038.

CURRENT GRANTS

- \$750,000 "Affect labeling, expressive writing, and emotion regulation", National Institute of Mental Health (R01MH084116), 7/01/08-6/03/11 (PI: Lieberman, co-PI: Stanton)
- \$159,200 "The neuroscience of memes", Defense Advanced Research Projects Agency (BAA07-21), 1/1/08-12/31/08 (PI on subcontract: Lieberman)
- \$275,000 "Neural mediators of behavior therapy for anxiety", National Institute of Mental Health (R21MH081299), 4/1/08-3/30/10 (PI: Michelle Craske; co-PI: Lieberman)
- \$36,500 "Trust, Distrust, and Diversity: The effects of message source and content", Defense Advanced Research Projects Agency (BAA07-21), 1/1/08-12/31/08 (PI on subcontract: Lieberman)
- \$10,000 "Genes, Culture, and Relationships: Does variation in the serotonin transporter gene contribute to cross-cultural psychological differences between East Asians and Caucasians?", UCLA Academic Senate Grant, 7/1/07-6/30/08 (PI: Lieberman)

\$5,000 “Neurogenetic moderation of cross-cultural differences in sensitivity to social relationships”, Center for Culture, Brain, & Development (UCLA), 7/1/07-6/30/08 (PI: Lieberman)
\$1,209,889 “Psychological and Biological Antecedents of Health Behavior Decisions”, National Institute of Aging (R01AG030309), 9/30/06-7/31/09 (PI: Shelley Taylor; co-PI: Lieberman)
\$58,740 “An fMRI study of genetic, neural, and psychological mechanisms linking social rejection to aggression”, Harry Frank Guggenheim Foundation, 1/1/07-12/31/08 (PI: Lieberman; co-PI: Way)

PAST GRANTS

\$233,750 “Neural Mechanisms Underlying Stress Reactivity”, National Institute of Mental Health (R21MH071521), 6/1/05-5/31/08 (PI: Lieberman; co-PI: Shelley Taylor)
\$143,000 “Neural Correlates of Persuasive Messages across Cultures”, Defense Advanced Research Projects Agency (BAA06-19) 6/01/07-5/31/08 (PI: Lieberman)
\$250,000 “The Role of Anterior Cingulate Cortex in Neuroticism and Social Cognition”, National Institute of Mental Health (R21MH66709), 8/1/2002-7/31/2005
\$3,000 “The Neural Basis of Family and Peer Importance during Childhood and Adolescence”, UCLA Academic Senate Grant, 6/1/05-5/30/06 (PI: Andrew Fuligni; co-PI: Lieberman)
\$4,500 “The Neural Basis of Family and Peer Importance during Childhood and Adolescence”, Center for Culture, Brain, & Development (UCLA), 3/1/05-2/28/06 (PI: Andrew Fuligni; co-PI: Lieberman)
\$118,000 “Psychobiological concomitants of bereaved women at breast cancer risk”, California Breast Cancer Research Program (10IB-0048), 7/1/04-1/31/06 (PI: David Wellisch; co-PI: Lieberman)
\$7,500 “Neural Correlates of Self-schemas”, UCLA Academic Senate Grant, 7/1/03-6/31/04
\$150,000 "The Role of the Basal Ganglia in Automatic Social Inference" McDonnell-Pew Cognitive Neuroscience Grant (JSMF 99-25 CN-QUA.05), 1999-2002 (co-PI: Barbara Knowlton)
\$98,013 "Fast or Slow, High or Low, Stop or Go: The Neural Basis of Three Basic Dichotomies of Social Cognition" National Science Foundation Small Grant for Exploratory Research (BCS-0074562), 2000-2002 (co-PI: Barbara Knowlton)
\$38,000 “Conference on Social Cognitive Neuroscience” National Science Foundation (BCS-0101835), 2000-2001, (co-PI’s: Alan Fiske, Susanne Lohmann, and Marco Iacoboni).
\$10,000 “Conference on Social Cognitive Neuroscience”, National Institute of Mental Health (467-MZ-100690), 2000-2001 (co-PI’s: Alan Fiske, Susanne Lohmann, and Marco Iacoboni)

ADVISEE FUNDING

Elliot Berkman - National Research Service Award (2009-2011)
Eva Telzer – National Science Foundation, 2008-2011
Tristen Inagaki – Jacob Javits Fellowship, 2008-2011
Sylvia Morelli – National Science Foundation (Interdisciplinary Relationship Science Program), 2008-2010
Baldwin Way - National Research Service Award (Health Psychology Training Grant - NIMH), 2005-2008, NARSAD (2007-2009)
Emily Falk – National Science Foundation, 2007-2010
Lian Rameson – Jacob Javits Fellowship, 2005-2007, National Science Foundation, 2007-2010
Carrie Masten – National Science Foundation, 2005-2008
David Amodio – National Research Service Award (Health Psychology Training Grant - NIMH), 2003-2005
Jennifer Pfeifer – National Science Foundation, 2002-2005
National Research Service Award (NIMH), 2005-2007
Ajay Satpute – National Science Foundation, 2002-2005
Sarah Master – National Science Foundation, 2003-2006

Johanna Jarcho – National Research Service Award (Health Psychology Training Grant - NIMH), 2003-2005
National Research Service Award (Individual Award – NIMH), 2006-2008

FORMER STUDENTS

Jennifer Pfeifer – Graduate advisee (2001-2007), currently assistant professor, University of Oregon
David Creswell – Postdoctoral fellow (2007-2008), currently assistant professor, Carnegie Mellon
David Amodio – Postdoctoral fellow (2003-2005), currently assistant professor, NYU
Molly Crockett – Undergraduate advisee (2001-2005), PhD student, Cambridge University. National Science Foundation, 2008-2011
Charlene Wu – Undergraduate advisee (2004-2006), PhD student at Stanford University
Golnaz Tabibnia – Graduate advisee (2001-2006), currently assistant professor, Carnegie Mellon
Johanna Jarcho – Graduate advisee (2001-2006), postdoctoral fellow, Los Angeles VA hospital
Ajay Satpute – Graduate advisee (2002-2008), postdoctoral fellow, Columbia University
Elliot Berkman – Graduate advisee (2004-2010), will be assistant professor, University of Oregon, 2010
Josh Poore – Graduate advisee (2007-2009), postdoctoral fellow, Grafman lab, NIMH

INVITED COLLOQUIA

Dartmouth, 2010 (planned); University of California, San Francisco, 2009; San Diego State, 2009; University of Maryland, 2008; Washington University, 2006; Cornell University, 2006; Carnegie Mellon, 2006; Kyoto University (Japan), 2005; University of Zurich (Switzerland), 2005; University of Kentucky, 2005; Purdue University, 2005; Ohio State University, 2005; New York University, 2005; Columbia University, 2005; Yale University, 2005; Harvard University, 2005; University of Chicago, 2005, University of California, San Diego, 2005, California Institute of Technology, 2005; University of California, Riverside, 2005; University of California, Santa Barbara, 2004; Macquarie University (Australia), 2004; Washington University, St. Louis, 2003; University of California, Davis, 2003; National Institute of Drug Abuse, 2002; Cal State Fullerton, 2002; University of Southern California, 2002; Lehigh University, 2001; Wayne State University, 2001; Dartmouth University, 2000; University of British Columbia, (Canada) 2000; University of California, Irvine, 2000; University of California, Los Angeles, 1999; University of California, Berkeley, 1999; Rutgers University, 1999; New York University, 1999

SYMPOSIA & INVITED CONFERENCE TALKS

- 62) Lieberman, M. D. (2010). Ventrolateral PFC as a self-control muscle (and how to use it without trying). Talk given at the 20th Annual Rotman Research Institute Conference. Toronto.
- 61) Lieberman, M. D. (2010). Cooperation and competition. Invited talk at the Alpine Brain Imaging Meeting, Champéry, Switzerland.
- 60) Lieberman, M. D. (2009). How the brain processes social information. Master Mediator Institute Immersion Course, Los Angeles.
- 59) Lieberman, M. D. (2009). The neural basis of self-control. Keynote at the Los Angeles Neuroleadership Summit.
- 58) Lieberman, M. D. (2009). Keynote speech. Neuropower symposium. Sydney, Australia.
- 57) Lieberman, M. D. (2009). Debate over “voodoo correlations in social neuroscience”. Annual Meeting of the Society for Experimental Social Psychology. Portland, Maine.
- 56) Lieberman, M. D. (2009). Ventrolateral PFC as a self-control muscle (and how to use it without trying). Talk given at the 3rd Annual Social and Affective Neuroscience conference, New York, NY.
- 55) Lieberman, M. D. (2009). Why putting feelings into words can dampen feelings. Talk given at the American Association for the Advancement of Science conference, February, Chicago, Ill.

- 54) Berkman, E. T., & Lieberman, M. D. (2009). BIS/BAS and the neural systems involved in the regulation of goal pursuit. Talk given at the 9th Annual Meeting of the Society for Personality and Social Psychology, Tampa, Florida.
- 53) Pfeifer, J. H., Lessard, J., Masten, C. L., Borofsky, L., Dapretto, M., Lieberman, M. D., Fuligni, A. J., & Chen, C. (2009). Neural systems supporting reflected and direct self-appraisals: Developmental and cross-cultural studies. Talk given at the 9th Annual Meeting of the Society for Personality and Social Psychology, Tampa, Florida.
- 52) Lieberman, M. D. (2008). The pains and pleasures of social life. Keynote address at the New York City Neuroleadership Summit.
- 51) Lieberman, M. D. (2008). The pains and pleasures of social life. Keynote address at the Sydney Neuroleadership Summit.
- 50) Lieberman, M. D. (2008). Neural bases of persuasion and dissonance-related attitude change. Talk given at the 2nd Annual Social and Affective Neuroscience conference, Boston, MA.
- 49) Lieberman, M. D. (2008). The self and decision-making: A view from the brain. Talk given at the 8th Annual Meeting of the Society for Personality and Social Psychology, Albuquerque, New Mexico.
- 48) Lieberman, M. D. (2008). Using neuroscience to do social psychology: Investigating self-processes. Talk given at the SPSP training preconference, Albuquerque, New Mexico.
- 47) Pfeifer, J. H., Dapretto, M., & Lieberman, M. D. (2008). Cooties and crushes: gender and the moderation of neural systems for shared representations of emotion in children. Talk given at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.
- 46) Lieberman, M. D. (2007). Why putting feelings into words can dampen the feelings: A social cognitive neuroscience approach. UCLA Emeriti Association.
- 45) Lieberman, M. D. (2007). Neural contributions of emotion regulation to decision-making. Talk given at the Summer Institute for Social Neuroscience, July, Santa Barbara, CA.
- 44) Lieberman, M. D. (2007). fMRI studies of self-knowledge: developmental, social, and cognitive perspectives. Talk at the Annual Meeting of the Society for Experimental Social Psychology, October, Chicago, IL.
- 43) Lieberman, M. D. (2007). Coping with rejection in academic writing. Talk given Annual Meeting of the American Psychological Association, San Francisco, CA.
- 42) Pfeifer, J. H., Dapretto, M., & Lieberman, M. D. (2007). Factors influencing self-relevant information processing in the pre-teen brain. Talk given at the annual meeting of the Jean Piaget Society, Amsterdam, Netherlands.
- 41) Pfeifer, J. H., Lieberman, M. D., & Dapretto, M. (2007). Thinking about me, thinking about you: Neural bases of self- and social knowledge retrieval in middle childhood. Talk given at the biennial meeting of the Society for Research in Child Development, Boston, MA.
- 40) Pfeifer, J. H., Lieberman, M. D., Fuligni, A. N., & Dapretto, M. (2007). Developing self-knowledge, developing identities, developing brains. Talk given at the Self & Identity Preconference held at the Society for Personality and Social Psychology Meeting, Memphis, TN.
- 39) Lieberman, M. D. (2006). The hurdles of interdisciplinary research. Talk given at the 2nd annual APA Science Leadership Conference, Dec. 2, Washington D.C.
- 38) Tabibnia, G., Craske, M.G., & Lieberman, M.D. (2006). Activity in lateral and medial prefrontal cortices during exposure to aversive images predicts reduced autonomic response to those images a week later. Talk given at the 36th Annual Meeting of the Society for Neuroscience, Oct. 16, Atlanta, GA.
- 37) Lieberman, M. D. (2006). Neural bases of reflective and reflexive social cognition. Talk given at the "In two minds: Dual-process theories of reasoning and rationality, Cambridge, UK.
- 36) Lieberman, M. D. (2006). The role of right ventrolateral prefrontal cortex in emotion regulation during social interactions. Talk at the 13th Annual Meeting of the Cognitive Neuroscience Society, April, San Francisco, CA.
- 35) Lieberman, M. D. (2006). When language disrupts affect: A social cognitive neuroscience approach. Invited Division 3 talk given at the Annual Meeting of the American Psychological Association. New Orleans, LA.
- 34) Lieberman, M. D. (2006). Putting feelings into words: The neural and genetic bases of language-driven emotion regulation. Invited talk in the 2006 Spielberg EMPathy Symposium given at the Annual Meeting

- of the American Psychological Association. New Orleans, LA.
- 33) Lieberman, M. D. (2006). Putting feelings into words: The neural bases of language-driven emotion regulation. Invited address at the Western Psychological Association Convention, Palm Springs, CA. April.
 - 32) Lieberman, M. D. (2006). Disruption theory: A neurocognitive model of the self-regulatory benefits of putting feelings into words. Talk at the 6th Annual Meeting of the Society for Personality and Social Psychology, Palm Springs, CA.
 - 31) Lieberman, M. D. (2005). Reflective conscious processes \neq reflexive unconscious processes + awareness: A social cognitive neuroscience approach. Talk at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
 - 30) Lieberman, M. D. (2005). Social cognitive neuroscience approaches to relating the self to its social world. Symposium chair (invited) at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
 - 29) Eisenberger, N. I., Taylor, S. I., Gable, S., & Lieberman, M. D. (2005). Social rejection: A social cognitive neuroscience approach. Invited symposium talk at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
 - 28) Pfeifer, J. P., Iacoboni, M., Dapretto, M., & Lieberman, M. D. (2005). Self and other as distinct sources for understanding and relating to self and others: A social cognitive neuroscience approach. Invited symposium talk at the Annual Meeting of the Society for Experimental Social Psychology, October, San Diego, CA.
 - 27) Lieberman, M. E. (2005). Putting feelings into words: A social cognitive neuroscience approach. Invited talk at the "Psychology and Neuroscience of Emotions Conference", June 12, Zurich, Switzerland.
 - 26) Jarcho, J. M., Suyenobu, B. Y., Berman, S., Naliboff, B., Lieberman, M. D., & Mayer, E. A. (2005). Identification of IBS responders to 5-HT₃ receptor antagonism by distinct brain responses prior to drug treatment. Talk given at Digestive Disease Week annual conference, May 2005, Chicago, IL.
 - 25) Lieberman, M. D. (2005). Different brain regions involved in interpreting social threats by linguistic and non-linguistic means: A social cognitive neuroscience approach. Invited talk at the International Symposium on Emergent Mechanisms of Communication, February 28, Kyoto, Japan.
 - 24) Lieberman, M. D. & Tabibnia, G. (2005). Prospect theory, reward, and the brain: A neuroeconomics approach to subjective value and objective utility. Hot topics talk given at the 17th annual meeting of the American Psychological Society, May 27, Los Angeles, CA.
 - 23) Creswell, J.D., Eisenberger, N.I., & Lieberman, M.D. (2005). Neural correlates of mindfulness during social exclusion. Oral presentation at the 3rd Annual Conference on Integrating Mindfulness-Based Stress Reduction Interventions into Medicine, Health Care, and Society, in Worcester, MA.
 - 22) Lieberman, M. D., Eisenberger, N. I., & Crockett, M. J. (2005). Why do elderly primes slow you down? An fMRI study comparing ideomotor and disruption accounts of automatic behavior. Paper presented at the 6th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, New Orleans, MO.
 - 21) Lieberman, M. D. (2005). Updating the classics: How the brain informs our understanding of classic social psychological phenomena. Symposium Chair at the 6th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, New Orleans, MO.
 - 20) Eisenberger, N. I. & Lieberman, M. D. (2005). Personality differences in controlled processing responses to discrepancies: An fMRI study of self-consciousness, extraversion, and neuroticism. Paper presented at the 6th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, New Orleans, MO.
 - 19) Lieberman, M. D. (2004). When language disrupts affect. A social cognitive neuroscience approach. UCLA Neuropsychiatric Institute, Grand Rounds Talk, October 26, 2004, Los Angeles.
 - 18) Lieberman, M. D. & Eisenberger, N. I. (2004). The pain of social rejection and the function of dorsal anterior cingulate cortex. Invited talk at the Social Neuroscience Conference, May 14, 2004, Chicago, IL.
 - 17) Eisenberger, N. I. & Lieberman, M. D. (2004). "Why it hurts to be left out": The neurocognitive overlap between physical and social pain. Paper presented at the 7th Sydney Symposium, March 19, 2004, Sydney, Australia.
 - 16) Lieberman, M. D. (2004). Disruption theory: Why thinking about affect inhibits affect and behavior. Invited talk in the Social Cognitive Neuroscience Preconference held at the Cognitive Neuroscience Society Meeting, April 15, San Francisco, CA.

- 15) Lieberman, M. D. (2004). Disruptive effects of language on automatic affect and automatic behavior: A social cognitive neuroscience approach. Invited talk in the Social Cognitive Neuroscience Preconference held at the Society for Personality and Social Psychology Meeting, January 29, Austin, TX.
- 14) Lieberman, M. D. (2003). Social cognitive neuroscience. Why social psychologists should care about their brains. Keynote speech. Tagung der Fachgruppe für Sozialpsychologie, September 24, Heidelberg, Germany.
- 13) Lieberman, M. D. (2003). The common neural bases of the experience and self-regulation of physical pain, social threat cues, and interpersonal rejection: A social cognitive neuroscience approach. Invited cross-cutting symposium on "The Social Neuroscience of Interpersonal Processes", 15th annual meeting of the American Psychological Society, May 31, Savannah, GA.
- 12) Lieberman, M. D. (2003). Social Cognitive Neuroscience Approaches to the Self. Symposium Chair at the 4th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, Los Angeles, CA.
- 11) Lieberman, M. D., Jarcho, J. M., & Satpute, A. B. (2003). An fMRI Study of Self-Schemas in Comedians and Athletes. Paper presented at the 4th Annual Meeting of the Society for Personality and Social Psychology, February, 2003, Los Angeles, CA.
- 10) Lieberman, M. D. (2002). Mind-brain-body interactions: Discussant. First annual integrative medicine symposium, September 27, 2002, Los Angeles, CA.
- 9) Lieberman, M. D. (2002). Impulse Eruption and Disruption: A Social Cognitive Neuroscience Approach. National Institute of Drug Abuse, July 22, 2002, Bethesda, MD.
- 8) Lieberman, M. D. (2002). Is Self-Created Happiness Created Consciously? Neuropsychological and Cognitive Studies. Southern California Positive Psychology Conference, April 5, 2002, Claremont, CA.
- 7) Lieberman, M. D. (2002). Disruption theory: A social cognitive neuroscience approach to introspection-judgment effects. Paper presented at the 5th Sydney Symposium, March 19, 2002, Sydney, Australia.
- 6) Lieberman, M. D. (2001). An fMRI study of verbal overshadowing and stereotypes. Paper presented at the UCLA Conference on Social Cognitive Neuroscience, April 26, 2001, Los Angeles, CA.
- 5) Iacoboni, M., Knowlton, B. J., Lieberman, M. D., & Fiske, A. P. (2001). FMRI of observing communal and ranking relationships. Paper presented at the 31st Annual Meeting of the Society for Neuroscience, November 13, 2001, San Diego, CA.
- 4) Fiske, A., Iacoboni, M., Knowlton, B. J., & Lieberman, M. D. (2001). Interpreting communal and ranking relationships: First results from an fMRI study. Paper presented at the UCLA Conference on Social Cognitive Neuroscience, April 28, 2001, Los Angeles, CA.
- 3) Lieberman, M. D., Hariri, A., Bookheimer, S. (2001). Controlling automatic stereotype activation. An fMRI study. Paper presented at the 2nd Annual Meeting of the Society for Personality and Social Psychology, February 4, 2001, San Antonio, TX
- 2) Lieberman, M. D. (1999). Synthetic happiness: A social cognitive neuroscience approach. Invited talk at the 2d annual Mind, Brain, and Behavior conference, March 1999, Harvard Medical School.
- 1) Gilbert, D. T., & Lieberman, M. D. (1999). Mispredicting forgiveness. Paper presented at the Society of Experimental Social Psychology, October 16, 1999, St. Louis.

AFFILIATIONS

PREVIOUS AWARDS & HONORS

Marie E. McMaster Bequest grant, Harvard University, 1997
Innovative Instruction grant, Harvard University, 1996
Derek Bok Teaching Prize, Harvard University, 1996, 1997, 1998, 1999
Gordon Allport grant, Harvard University, 1995, 1998
William James Fellowship, Harvard University, 1995-1996
George W. Goethals Teaching Prize, Harvard University, 1995, 1996, 1997
Elsie Hopedstill Stimson grant, Harvard University, 1995, 1996, 1998
Fellow at the McDonnell Summer Institute for Cognitive Neuroscience, University of California at Davis, 1995
Henry A. Rand grant, Harvard University, 1995
Graduate Writing Fellow, Harvard University, 1995
Jordan B. Knox Bequest grant, Harvard University, 1994
Henry Rutgers Grant, Rutgers College, 1991-1992
Rutgers College Merit Scholarship, Rutgers College, 1990 and 1991
Den's Award for Excellence, Rutgers College, 1989
Rutgers College Award for Academic Excellence, Rutgers College, 1990
Women's League of Rutgers Award for Academic Excellence and Community Service, Rutgers College, 1992
Dean's List, all eight semesters, Rutgers College, 1988-1992
Garden State Scholarship, NJ, 1988
Justice Lodge Scholarship, Atlantic County, NJ, 1988

AD HOC REVIEWER:

Acta Psychologica, Behavioral and Cognitive Neuroscience Reviews, Behavioral Decision Making, Biological Psychiatry[†], Bipolar Disorders, Brain[†], Brain Research, British Journal of Social Psychology, Cerebral Cortex[†], Cognition & Emotion, Cognitive Affective & Behavioral Neuroscience[†], Consciousness & Cognition, Current Biology, Current Directions in Psychological Science, Emotion[†], European Journal of Neuroscience, Journal of Abnormal Psychology, Journal of Cognitive Neuroscience[†], Journal of Consumer Behavior, Journal of Experimental Psychology: Human Perception and Performance[†], Journal of Experimental Social

TEACHING:

UCLA ProfessorReview (www.bruinwalk.com) - Rated 8th most effective professor on campus

Student evaluation Mean 8.50 / 9.00 (for the 2002-2003 academic year)

UCLA ProfessorReview (www.bruinwalk.com) - Rated 9th most recommended professor on campus

Student evaluation Mean 8.56 / 9.00 (for the 2002-2003 academic year)

Psych 135: Intro to Social Psychology, Combined (x10): Mean 8.50 / 9.00 Median 9.0 / 9.0

Spring 2009: Student evaluation Mean 8.71 / 9.00 Median 9.0 / 9.0

Fall 2007: Student evaluation Mean 8.52 / 9.00 Median 9.0 / 9.0

Fall 2004: Student evaluation Mean 8.63 / 9.00 Median 9.0 / 9.0

Spring 2004: Student evaluation Mean 8.60 / 9.00 Median 9.0 / 9.0

Winter 2004: Student evaluation Mean 8.47 / 9.00 Median 9.0 / 9.0

Fall 2003: Student evaluation Mean 8.50 / 9.00 Median 9.0 / 9.0

Winter 2003: Student evaluation Mean 8.65 / 9.00 Median 9.0 / 9.0

Fall 2002: Student evaluation Mean 8.37 / 9.00 Median 9.0 / 9.0

Fall 2001: Student evaluation Mean 8.31 / 9.00 Median 9.0 / 9.0

Winter 2001: Student evaluation Mean 8.49 / 9.00 Median 9.0 / 9.0

Winter 2000: Student evaluation Mean 8.29 / 9.00 Median 9.0 / 9.0

Psych 191: Honors Thesis Seminar

Fall 2005: Student evaluation Mean 8.35 / 9.00 Median 9.0 / 9.0

Winter 2006: Student evaluation Mean 8.53 / 9.00 Median 9.0 / 9.0

Spring 2006: Student evaluation Mean 8.53 / 9.00 Median 9.0 / 9.0

Fall 2006: Student evaluation Mean 8.75 / 9.00 Median 9.0 / 9.0

Winter 2007: Student evaluation Mean 8.39 / 9.00 Median 9.0 / 9.0

Spring 2007: Student evaluation Mean 8.72 / 9.00 Median 9.0 / 9.0

Fall 2007: Student evaluation Mean 8.92 / 9.00 Median 9.0 / 9.0
 Winter 2008: Student evaluation Mean 9.00 / 9.00 Median 9.0 / 9.0
 Fall 2008: Student evaluation Mean 8.53 / 9.00 Median 9.0 / 9.0
 Winter 2008: Student evaluation Mean 8.61 / 9.00 Median 9.0 / 9.0

Psych 229: Social Cognition
 Spring 2006: Student evaluation Mean 8.20 / 9.00 Median 9.0 / 9.0
 Spring 2004: Student evaluation Mean 8.69 / 9.00 Median 9.0 / 9.0
 Spring 2001: Student evaluation Mean 8.21 / 9.00 Median 8.0 / 9.0

Psych 225: Social Cognitive Neuroscience, Winter 2001, UCLA
 Student evaluation Mean 8.40 / 9.00 Median 9.0 / 9.0

Psych 136: Social Psych Methods, Summer 1999, UCLA
 Student evaluation Mean 8.47 / 9.00 Median 9.00 / 9.0

Instructor, Fall 1998, Social Cognitive Neuroscience, Harvard University.
